MEMORANDUM FOR THE RECORD

SUBJECT: Contact with AECASSOWARY 4

The undersigned case officer had called AECASSOWARY 15 on the telephone on 29 October 1956 and was informed that AECASSOWARY 2 had not returned from his trip to Canada but was expected Thursday or Friday. When the undersigned case officer arrived in New York on 1 November 1956, he placed a telephone call to the home of AECASSOWARY 2. He was informed by AECASSOWARY 2's wife that she had received a telephone call from Canada and, at that time, AECASSOWARY 2 had stated that he would be in New York Thursday night or early Friday morning. However, telephone calls to the home of AECASSOWARY 2 Friday morning and Friday afternoon met with negative results. A telephone call was then placed to AECASSOWARY 4. AECASSOWARY 4 was told that the undersigned case officer had an interest in AECASSOWARY 27, who had emigrated from Munich. AECASSOWARY 4 said that AECASSOWARY 27 had gone to North Dakota and was not available for interview. It was then explained to AECASSOWARY 4 that AECASSOWARY 27 seemed to fit the PA position in the Ukrainian Unit of Project AEREADY. No definite meeting has been set up with AECASSOWARY 27. However, it is expected that AECASSOWARY 2 will be in Washington within the next two weeks and the details will be worked out then.

Regarding Project AECUPBOARD, AECASSOWARY 4 was told to inform AECASSOWARY 2 that the project approval is proceeding satisfactorily and the money should be available in the very near future. The next contact was left open.
